Data element attributes

Collection and usage attributes

Guide for use:	The CRN should only be collected from persons eligible to receive health services that are to be funded by Centrelink. The number may be reported to a Centrelink agency to reconcile payment for the service provided. The data should not be used by private sector organisations for any purpose unless specifically authorised by law. For example, data linkage should not be carried out unless specifically authorised by law.
Collection methods:	The Centrelink Customer Reference Number (CRN) is provided on 'Health Care Cards' and 'Pensioner Concession Cards'.
Comments:	When a person accesses health services on the basis of being a Centrelink customer, collection of the CRN is usually necessary. This data should not be collected and recorded if it is not needed to support the provision of such health services.
