
Pension status - psychiatric patients

Important note: This is an archived metadata standard from the AIHW Knowledgebase. For current metadata standards and related information please access METeOR, the AIHW's Metadata Online Registry at <http://meteor.aihw.gov.au>

Identifying and Definitional Attributes

Data Dictionary: NHDD

Knowledgebase ID: 000121

Version number: 2

Metadata type: DATA ELEMENT

Registration Authority: NHIMG

Admin status: RETIRED

Authority:

Effective date: 30-JUN-00

Definition: Whether or not a person is in receipt of a pension or social security benefit and the nature of that pension or benefit (note that this does not mean the pension / benefit is necessarily the recipient's main source of income)

Context: This item is a factor in determining equity of services, community needs, a surrogate indicator of income, and useful in analysis of total resource allocation to psychiatric care in Australia.

A substantial proportion of the consumers of public psychiatric services are people whose sole or major source of income is some form of pension or Commonwealth benefit.
