Date of last contact

Important note: This is an archived metadata standard from the AIHW Knowledgebase. For current metadata standards and related information please access METeOR, the AIHW's Metadata Online Registry at http://meteor.aihw.gov.au

Identifying and Definitional Attributes

Data Dictionary: NHDD

Version number: 2 Knowledgebase ID: 000040

Metadata type: DATA ELEMENT

Registration **NHIMG** Admin status: SUPERSEDED

Authority: Effective date: 01-MAR-05

Definition: Date of the last contact between a staff member of the community

service and a person in any setting.

The definition includes:

- visits made to persons in institutional settings for the purpose of handing over or otherwise completing a care episode;

- bereavement visits in any setting;

- visits made to the person's home to complete the service, including the collection of equipment.

The definition excludes:

- visits made by liaison/discharge planning staff of a community service for the purpose of assessment of need related to a subsequent

episode of care.

Context: To enable analysis of time periods throughout a care episode,

> especially the bereavement period. This date has been included in order to capture the end of a care episode in terms of involvement of

the community nursing service.

Representational DATE

form:

Representation DDMMYYYY

layout:

Minimum Size: 8 Maximum Size: 8

Data Domain: NOVAL Valid dates Guide For Use: This could be the same as the date of discharge.

Verification Rules:May occur after or on the same day as Date of last delivery of service

Related metadata: supersedes previous data element Date of last community service

contact with client/family version 1

relates to the data element Date of first contact version 2

Administrative Attributes

Source Document:

Source Organisation: Australian Council of Community Nursing Services

Comments: If service agencies are committed to monitoring all resource

utilisation associated with an episode of care, this post-discharge date and the corresponding pre-admission item Date of first contact, have a place within an agency information system. This is particularly true for those agencies providing discharge planning

service or specialist consultancy or assessment services.
