Definition: All other revenue received by the establishment that is not included under patient revenue or recoveries (but not including revenue payments received from State or Territory governments). This would include revenue such as investment income from temporarily surplus funds and income from charities, bequests and accommodation provided to visitors.

See text relating to offsetting practices. Gross revenue should be reported (except in relation to payments for inter-hospital transfers of goods and services).

Context: Health services:
In aggregate, other revenues as defined above constitute a significant source of income for many establishments and are necessary to complete the revenue picture for health financing studies or analyses at the national level.
