Collection and usage attributes

Guide for use:

Service contacts are not restricted to in-person communication but can include telephone, video link or other forms of direct communication.

- Code 1   is to be used for service contacts between a specialised mental health service provider and the patient/client in whose clinical record the service contact would normally warrant a dated entry, where the patient/client is participating.
- Code 2   is to be used for service contacts between a specialised mental health service provider and a third party(ies) where the patient/client, in whose clinical record the service contact would normally warrant a dated entry, is not participating.
