Person—first coronary artery bypass graft indicator, yes/no/not stated/inadequately described code N

Identifying and definitional attributes

Metadata item type: Data Element

Short name: First coronary artery bypass graft indicator

METEOR identifier: 320412

Registration status: Health!, Recorded 14/07/2006

Definition: An indicator of whether this is the person's first coronary artery bypass graft, as

represented by a code.

 Data Element Concept:
 Person—first coronary artery bypass graft indicator

 Value Domain:
 Yes/no/not stated/inadequately described code N

Value domain attributes

Representational attributes

Representation class: Code

Data type: Number

Format: N

Maximum character length: 1

Value Meaning

Permissible values: 1 Yes

2 No

Supplementary values: 9 Not stated/inadequately described

Collection and usage attributes

Guide for use: CODE 9 Not stated/inadequately described

This code is not for use in primary data collections.

Data element attributes

Collection and usage attributes

Guide for use: CODE 1 Yes

Record if this is the first coronary artery bypass graft.

CODE 2 No

Record if this is the second or subsequent coronary artery bypass graft.

CODE 9 Not stated/inadequately described

Record if the information is not stated.
