Second job of registered chiropractor cluster

Identifying and definitional attributes

Metadata item type: Data Set Specification

METEOR identifier: 384019

Registration status: [Health!](#), Standard 10/12/2009

DSS type: Data Element Cluster

Scope: The second job of registered chiropractors who were employed in more than one job in the profession during the reference week.

The second job is defined as the post or position, funded by an organisation, in which the health professional worked the second longest hours during the reference week in Australia. The health professional may be an employee or they may be self-employed with the organisation.

Collection and usage attributes

Statistical unit: The statistical unit for this data set is the Registered chiropractor.

A Registered chiropractor refers to a person who is currently registered, or who has been registered, with the Australian Health Practitioner Regulation Agency as a chiropractor at any time during the reference period.

Guide for use: Data elements in this cluster assist in describing the type and distribution of services of registered chiropractors in their second job. The cluster forms part of the Registered chiropractic labour force DSS, along with *Main job of registered chiropractor* cluster, *Work setting hours* cluster, and a range of other data elements.

Data elements in this cluster are collected only from those chiropractors employed in more than one job in the profession. Data elements in the *Main job of registered chiropractor* cluster are collected from all chiropractors employed in the profession. All other workforce data elements in the Registered chiropractic labour force DSS are collected from all chiropractors registered in the profession, and relate to all jobs held in the profession.

Registered health professionals on leave at the time of registration are asked to report based on the job that is usually their second job.

The second job:

- includes time spent travelling to home visits or calls out;
- excludes other time travelling between work locations; and
- excludes unpaid professional and/or voluntary activities.
