Funded agency under the National Disability Agreement (NDA)

Identifying and definitional attributes

Metadata item type:	Glossary Item
METEOR identifier:	386548
Registration status:	Disability , Standard 29/02/2016
Definition:	A funded agency is usually a legal entity providing one or more types of National Disability Agreement (NDA) service types to service users at one or more different locations. The organisational unit that delivers a single service type at or from a discrete location is described as a service type outlet. Where a funded agency provides only one service type, the service type outlet and the funded agency are one and the same entity.
