Comments:

Required disaggregation: Year level (1-10 individually) by: National, state/territory and geo-location by Indigenous status

Available disaggregation: Year level (1-10 individually) by School sector (government, catholic, independent individually) by: National, state/territory by Indigenous status

Most recent data available for 2010 CRC baseline report: 2008

At this stage, data are not available by geo-location. Attendance data is not currently collected uniformly across jurisdictions and cannot be aggregated from school sector data.

Data may not be comparable across states and territories, or across school sectors, due to differences in collection and reporting processes.
