## Collection and usage attributes

**Guide for use:**

CODE 1 Client did not agree to one

This option is used if the client was asked about formulating a plan, but they did not agree.

CODE 2 Service episode too short

Case management plans may not be appropriate for all clients, for example, when a client is supported for a 24 hour period or less. Support may include accommodation or other services.

CODE 3 Part of another person's case management plan

The client is covered by another client's case management plan.

CODE 8 Other

If a case management plan was not formulated for a client for some other reason. This other reason should be collected.

CODE 9 Not stated/inadequately described

This code is not for use in primary data collections.

## Data element attributes

### Collection and usage attributes

**Guide for use:**

This metadata item is answered from the perspective of an agency worker.

**Collection methods:**

The permissible values for this data element are used to form the response categories to the question:

"Why does a case management plan not exist?"

Responses of "other" should request further information by use of the words "please specify".
