# Prisoner health discharge summary cluster

## Identifying and definitional attributes

<b>Metadata item type:</b>	Data Set Specification
<b>METEOR identifier:</b>	412281
<b>Registration status:</b>	<a href="#">Health!</a> , Superseded 28/04/2016
<b>DSS type:</b>	Data Element Cluster
<b>Scope:</b>	These data elements are used in conjunction with each other to determine: <ul style="list-style-type: none"><li>• the number of sentenced and remand prisoners that were released from a prison during the National Prisoner Health Census period and</li><li>• the number of sentenced and remand prisoners who have a health-related discharge summary on file at the time of their release.</li></ul>

## Collection and usage attributes

**Guide for use:** The Prisoner health discharge summary cluster combines the three data elements: *Person—prisoner health discharge summary indicator, yes/no code N*, *Person—legal status of prisoner, code N* and *Establishment (prison)—number of prisoners released, number N[NN]* to describe the number and type of prisoners who have a discharge summary on file when they are released from prison.

The Prisoner health discharge summary cluster describes the following information:

Detention status	Discharge summary indicator	Number
Remand(a)	Yes	N
Remand	No	N
Sentenced(b)	Yes	N
Sentenced	No	N

(a) Remand prisoners are persons who have been placed in custody while awaiting the outcome of a court hearing.

(b) Sentenced prisoners are those persons who have received a term of imprisonment from a court. This includes offenders who have been given an indeterminate sentence or custodial order, for example, forensic patients, or those who have received a life sentence.

Note: The number of prisoners who were released from a prison during the National Prisoner Health Census period does not include transfers to other prisons.

***DSS specific information:***

This data element is used in conjunction with the data elements: *Establishment (prison)—number of prisoners released, number N[NN]* and *Person—legal status of prisoner, code N, code N* to determine the proportion of remand and sentenced prisoners released from a prison during the National Prisoner Health Census period who have a health-related discharge summary on their file at the time of their release.
