Collection and usage attributes

Guide for use:	An organisation may have multiple names. Naming standards for incorporated companies are defined in the Australian Securities and Investments Commission (ASIC), Schedule 6 of the Corporation Regulations.
Collection methods:	If special characters or symbols form part of the name they should be included. This includes all characters from the standard printable ASCII character set such as the letters A-Z, hyphens, commas, apostrophes, @, # etc., as well as the non-standard or extended ASCII characters such as ü, á, é, ®, ™etc. Mixed case should be used rather than upper case only.

DSS specific information:

This item should be used to report the operating or trading name of the early childhood education and care service which delivers a preschool program to children.

The registered business name should not be used if it is different from the name of early childhood education and care service that it manages or owns.

A campus name or satellite school name (e.g. where the service provider organisation operates preschool programs at multiple geographical locations using the same service provider name) may also be used.

Each service provider must have a discrete service provider organisation name to allow identification of each individual location for provision of a preschool program.

The organisation name type data item is not required.
