Collection and usage attributes

Guide for use:

CODE 1 Two parent—natural

This category includes all two parent families where both parents are either the biological or adoptive parents of the child.

CODE 2 Two parent—step or blended

This category includes blended and reconstituted families (one biological parent and one step parent).

CODE 3 One parent—female

This category includes all families with a female single parent. The parent may be the biological, step or adoptive parent.

CODE 4 One parent—male

This category includes all families with a male single parent. The parent may be the biological, step or adoptive parent.

CODE 5 Other relatives/kin

Includes relatives other than those referred to above. Also includes Indigenous kinship arrangements.

CODE 6 Foster care

This category includes situations in which a child is living with foster parent(s) who are reimbursed (or who have been offered but declined reimbursement) by the state or territory for the care of a child and supported by an approved agency.

CODE 88 Other

This category includes all those not mentioned above. It includes non-family situations, such as hostels and institutional accommodation.

CODE 99 Not stated/inadequately described

This category is used when the family in which a child lives is not recorded or is unknown.
