dollar value and no cent value, the cents must be expressed as .00 (e.g. 100.00).

Data element attributes

Collection and usage attributes

Guide for use: The main components of assessable income are:

- current usual wages and salary
- income derived from self-employment
- government pensions, benefits and allowances
- other income comprising investments (including interest, dividends, royalties
  and rent) and other regular income (including superannuation, private
  scholarships received in cash, workers' compensation, accident
  compensation, maintenance or alimony, and any other allowances regularly
  received).
