Collection and usage attributes

Guide for use:

Record whether the course of treatment for cancer received varied from the planned treatment. Variation to treatment may be due to many reasons, including, but not limited to lack of response to treatment, side effects or patient choice.

CODE 1 Yes

To be recorded if treatment was stopped or there was any variation in the treatment type, delivery and/or dose.

CODE 2 No

To be recorded if the treatment plan for the course of treatment for cancer was followed without variation.
