Collection and usage attributes

Comments: Maps of the geographical areas covered by the various Medicare Locals and associated digital boundary files, suitable for use in geographic information systems, can be obtained from the Medicare Locals page on the Department of Health and Ageing website:

Medicare locals, Canberra. Viewed 14 July 2014,

[List of Local Government Areas and Statistical Local Areas for each Medicare Local in Excel format \(Excel 611 KB\)](#)

Source and reference attributes

Submitting organisation: Australian Institute of Health and Welfare

Data element attributes

Collection and usage attributes

Comments: Medicare Locals are primary health care organisations established to improve responsiveness, coordinate primary health care delivery and tackle local health care needs and service gaps. A Medicare Local catchment refers to the geographical area of a Medicare local.
