This code is not for use in primary data collections.

Data element attributes

Collection and usage attributes

Guide for use: CODE 1 Yes

Record for a new client

A new client is a child who has not ever previously been the subject of an investigation, any type of national care and protection order, or funded out-of-home care placement (including only those respite placements of 7 days or more) within the jurisdiction.

CODE 2 No

Record for a repeat client

A repeat client is a child:

- · who has previously been the subject of an investigation or was discharged (according to national specifications) from any type of national care and protection order or funded out-of-home care placement (including only those respite placements of 7 days or more); and
- whose earliest order and/or placement in the current reporting period is part of a preceding continuous episode of care.
