	ED	Emergency Department
	EX	External
	IP	Inpatient
	OP	Outpatient
	PH	Primary Health
Supplementary values:	NS	Not specified

Data element attributes

Collection and usage attributes

Guide for use:	This data element is used to determine a non-admitted patient service event when the client type is coded as OP (Outpatient). All other codes for this data element are out-of-scope for the purposes of determining a non-admitted patient service event . Those records in the NAPAAWL DC that do not have a client type of OP (Outpatient) are excluded from reports of non-admitted activity data.
