## Collection and usage attributes

**Guide for use:** This value domain must be expressed to two decimal places. Where there is a dollar value and no cent value, the cents must be expressed as .00 (e.g. 100.00).

## Data element attributes

### Collection and usage attributes

**Guide for use:** Exclude:

- any additional charges, such as levies, meals or separate care services
- any discounts or fee relief available
- any voluntary contribution.

If fees are charged on a per day, per term or per year basis, the pro-rata equivalent weekly fee should be derived by taking into account the days per week, weeks per term and/or weeks per year the early childhood education program operates.

**Collection methods:** The standard tuition fee schedule amount for an early childhood education program should be collected for each early childhood education program available at the service.

Jurisdictions which adopt a two week reference period are required to derive their data to a representative reference week
