Representational attributes

Representation class:	Code	
Data type:	Number	
Format:	N	
Maximum character length:	1	
	Value	Meaning
Permissible values:	1	Another location in the same hospital
	8	Other

Collection and usage attributes

Guide for use:	CODE 1 Another location in the same hospital
	To be recorded for a patient who is transferred from an emergency department short stay unit to another admitted patient ward in the same hospital, or to an operating theatre. This excludes transfers to discharge/transit lounges or transfers to hospital-in-the-home .
	CODE 8 Other
	To be recorded for a patient who has not been transferred from an emergency department short stay unit to another admitted patient ward in the same hospital. This includes transfers to discharge/transit lounges or transfers to hospital-in-the-home.
	Where a patient has been assigned Code 8, their Mode of separation should be used to determine their departure destination from an emergency department short stay unit.
