Implementation in Data Set Specifications:

[Mental health seclusion and restraint NBEDS 2015-Health!](), Standard 13/11/2014
Implementation start date: 01/07/2015
DSS specific information:

Data is limited to hospitals that provide [acute]() specialised mental health public hospital services.

The data element [Specialised mental health service target population]() should be used to distinguish between General, Child and adolescent, Youth, Older person and Forensic services for each hospital. Data records for this collection may therefore differ to the Admitted service unit records provided for the Mental health establishments NMDS.
