## Data element attributes

### Collection and usage attributes

**Guide for use:** CODE 1 Yes  
Record any member of the household reports to experience a disability.

CODE 2 No

Record if no members of the household reports to experience a disability.

Generally this metadata item will be self-enumerated and as such the person or their carer's view should be recorded. In some cases proof of disability may be required to receive some forms of assistance.

**Collection methods:** Suggested question:

Do you or any other household member have a disability or health condition that limits participation in activities (such as work, cooking, gardening, self care), or for which assistance is required, which has lasted, or is likely to last for a period of six months or more?

Yes

No
