### Source and reference attributes

| | |
|---|---|
| **Submitting organisation:** | Australian Institute of Health and Welfare |

## Data element attributes

### Collection and usage attributes

| | |
|---|---|
| **Guide for use:** | A pregnancy is the carrying of a developing embryo or foetus which has been confirmed by medical test with or without the assistance of a medical professional. Pregnancy includes both those which were carried full term and those which were aborted or miscarried. |
| | Note that the birth does not have to have occurred in the prison grounds, but also includes hospitals. However, the birth must occur while the mother was a prisoner. |
