Collection and usage attributes

Collection methods: The above classifications have been based on Question 16 of Form NH5.
The Australian Government Department of Health and Aged Care has introduced a new Aged Care Application and Approval form which replaces the NH5.

Data element attributes

Collection and usage attributes

Collection methods: This metadata item is not available for New South Wales State nursing homes. As this item includes only details of physical accommodation before admission it was decided to have details of the relational basis of accommodation before admission collected as a separate metadata item (see metadata item Admission mode).
