**DSS specific information:**

Within the Child protection (CP) client file cluster **disability** is defined as follows:

*"Disability is the umbrella term for any or all of: an impairment of body structure or function, a limitation in activities, or a restriction in participation. Disability is a multidimensional concept, and is considered as an interaction between health conditions and environment and personal factors. It refers to a limitation, restriction or impairment which has lasted, or is likely to last for at least six months and restricts every day activities."*

For unborn children, 97 'Not applicable' should be recorded.

Code 9 'Not stated/inadequately described' in the data element is equivalent to code 99 in the Child protection NMDS collection manual.
