**Comments:** Most recent data available for the 2020 National Healthcare Agreement performance reporting: 2018–19 (total population: PEx); 2018–19 (Indigenous only: NATSIHS).

Non-Indigenous data from the Patient Experience Survey (PEx) may not be directly comparable with data for Indigenous people from the NATSIHS 2018–19.

Note, in terms of time series for this indicator, 2011–12 data are comparable to 2012–13. However, 2012–13 data may not be comparable to 2013–14 (as the position in the survey instrument has changed).
